Vincent Persichetti

There have been few more universally admired twentieth-century American composers than Vincent Persichetti. His contributions have enriched the entire musical literature and his influence as performer and teacher is immeasurable. [...]

The numerous instrumental compositions include two unique series: one comprises 15 different works each entitled **Serenade** for such diverse combinations as piano duet, flute and harp, solo tuba, orchestra, band, two recorders, two clarinets and the trio of trombone, viola and cello. The series of 25 pieces, each entitled **Parable**, occupied Persichetti's thoughts for some time.
